Resolution 12-060

WHEREAS, the Town has received a Purchase Offer and Sale Contract dated 1/31/12 for a portion of parcel at 7129 Owasco Road Tax Map No. 123.11-1-32 owned by the Town of Owasco in the amount of \$6,250.00 from Dennis P. Sedor and Michele Sedor and David Ranauro and Lucinda Ranauro signed by Dennis P. Sedor and David Ranauro; and

WHEREAS, the Purchase Offer and Sale Contract referenced a Summary Appraisal Report dated 1/19/12 from Gregory K. Doan of Doan Appraisal Consultants opining that "This analysis indicates a

range of value for the subject property from \$1,500 to \$6,800” and a Survey of Dan Michael Anderson dated 12/21/11; and

WHEREAS, the Purchase Offer and Sale Contract references a purchase of the entire 40’ waterfront portion of the property; and

WHEREAS, the Assessment on the entire parcel at 7129 Owasco Road is \$103,800 with Full Market Value of \$115,333; and

WHEREAS, the Town is in the process of establishing a Property Disposition Policy; and

WHEREAS, the Town has determined to act upon said Purchase Offer And Sale Contract prior to enacting the Property Disposition Policy; and

WHEREAS, the Town Board has received an analysis from the Town Assessor which opines, in part, that “There are no current sales (2011-2012) to look at but we see from historical sales that the property is selling for \$1,000 per front foot on the outlet minimum.”; and

WHEREAS, on or about 6/27/01 the Town commenced a legal proceeding to take the property at 7129 Owasco Road by Condemnation for the purpose of constructing a new High Flow Pumping Station for the Town’s Sewer District No. 1; and

WHEREAS, on or about 1/31/02 by Court Order the Town took title to the property at 7129 Owasco Road; and

WHEREAS, by Decision of Acting Supreme Court Justice Corning dated 3/29/05 the property was valued at \$56,000 and consequential damages of \$32,000; and

WHEREAS, by Decision dated 6/5/06 of Acting Supreme Court Justice Corning the Court awarded attorney’s fees to the attorney for the prior owner, David C. Ranauro, in the amount of \$46,974.26; and

WHEREAS, in 2006 the Town paid approximately \$88,000 to David C. Ranauro and Lucinda M. Ranauro and \$46,974.26 to Walter C. Foulke, Esq. as attorney for the Ranauros; and

WHEREAS, the Town Board has received comments and maps of the subject property by the Town Engineer, Kenneth M. Knutsen, P.E. from Barton & Loguidice, P.C. which identified numerous issues and stated by email of 2/1/12, in part, that: “I see several potential issues to deal with for a partial sale along the Outlet frontage, including the need for maintaining town sewer/city water easements for the existing pipes, and possibly existing storm sewer pipe (NYSDOT?) along the south property line to the Outlet. Further, we know there is future upgrade work required for the Interceptor; the space below the interceptor should be left open for equipment staging/storage, etc. on a town-owned parcel since the balance of the interceptor north and south of this parcel is already pinched by houses, lot grading and trees.”

WHEREAS, the Purchase Offer and Sale Contract is substantially less than what the Town Board believes is full market value;

WHEREAS, the Purchase Offer and Sale Contract on page 1a states, in part, that “In the alternative, Buyers proposed purchase the entire parcel depicted in the survey map heretofore filed with the initial site development plan approved application, prepared by Owasco Code Enforcement Officer Patrick Doyle, reviewed by Supervisor Ed Wagner, at a fair market value price to be determined by the Owasco Town Council Board.”;

WHEREAS, the Town Board does not agree with the representation above of an “approved application”; and

WHEREAS, the Town Board will not sell the entire parcel or any portion of due to the fact that, among other things, the parcel is the location of a High Flow Pump Station; and

NOW, THEREFORE, the Town Board hereby rejects the Purchase Offer and Sale Contract as presented.

WHEREAS, on 12/30/11 the Town Board passed a motion:

Resolution 11-168 amending resolution 11-154 and authorizing the town supervisor to sign an Easement for property located on 7129 Owasco road along a portion of the southerly property line for ingress and egress and from 7361 Owasco road along its northerly property line for ingress and egress contingent upon town attorney approval and site plan approval from the planning board and approval from the zoning board of appeals. WHEREAS, on 1/4/12 Mr. Sedor addressed the Planning Board and the minutes, in pertinent part, state that:

“Dennis Sedor – Pre-Site Plan Review, 7125 Owasco Road, Auburn, NY

Mr. Brooks asked Ron Podolak to handle the next portion of the meeting seeing as how this was the first time he has set on the planning board.

Mr. Sedor was present to discuss his request with the Planning Board:

1. Mr. Sedor purchased the house next door (north) of his parents to protect his parents from the people that had previously owned the house. It was a party house with many visits from the police. Mr. Paul Sedor shared a driveway with this property.
2. The Town of Owasco owns the property to the north of 7125 Owasco Rd.
3. Mr. Paul Sedor's property runs at an angle down the shared driveway between the 2 properties. With all the problems Mr. Paul Sedor painted a white line running down his property line on the driveway after his wife fell and broke her hip.
4. The Town and Dennis Sedor have come to an agreement and will sign an easement for 8-feet of property in order for Dennis Sedor to install a driveway. The Town will also have an easement over Mr. Sedor's property to access the sewer interceptor if/when it should need maintenance.
5. Mr. Sedor would like to buy a piece of property from the Town behind the sewer pump station.
 - a. It has a steep slope and difficult to take care of.
 - b. It is good to no one except either Mr. Sedor or Mr. Ranauro. Mr. Ranauro has no problem with Mr. Sedor purchasing the property.
 - c. There is a city easement across the property for the waterline feeding the city.
 - d. There is an old shed in disrepair that he will take down
 - e. Greg Doan has made a tentative appraisal of \$6, 250.00 on the property in question. There is 40-feet of water frontage that would be added to the property.
6. Mrs. Sorensen asked about the City proposed Riverwalk. Mr. Sedor said that he thinks it has been changed back to the west side of the Outlet.
7. Mr. Podolak asked about drainage and that will be directed to the outlet.
8. The Town of Owasco will have to initiate the subdivision as owners of the property.
9. The Town Board will discuss a policy concerning how to dispose of Town property hopefully at the 1/8/12 meeting.
10. Mr. Sedor will have to provide a site plan map for the next meeting.”

WHEREAS, on 1/6/12 Supervisor Ed Wagner advised Mr. Sedor by phone that no work could be conducted on Town property; and

WHEREAS, on or about 1/6/12 a driveway was installed on the Town property at 7129 Owasco Road without authorization; and

WHEREAS, by email dated 1/10/12 from Town Attorney Riccardo T. Galbato, Mr. Sedor was advised that no work or improvements can be performed on the Town property without specific approval from the Town Board in writing; and

WHEREAS, on 1/31/12 the Town received an Application For Site Development Plan Approval dated 1/31/12 from Dennis P. Sedor and David Ranauro; and

WHEREAS, on or about _____ the Town received a Survey from Dan Michael Anderson dated 12/21/11 depicting the Town property of 7129 Owasco Road and the newly installed driveway, the majority of which, including the new curb cut onto Owasco Road, is on Town property; and

WHEREAS, on 2/1/12 the Town Board has received comments and maps of the subject property by the Town Engineer, Kenneth M. Knutsen, P.E. from Barton & Loguidice, P.C. which identified numerous issues; and

WHEREAS, by email to the Planning Board dated 2/1/12 Supervisor Ed Wagner stated:

"Dear Planning Board,
I would respectfully request that no action be taken on the Sedor Site Plan Application tonight at your Meeting for a proposed easement for ingress and egress and that the matter be continued to your next meeting in March.

Yesterday 1/31/12 the Town received a revised survey ("as built") showing the driveway Mr. Sedor installed without Town approval. In addition, this afternoon the Town Engineer provided drawings related to the Town parcel which indicate that Town utilities may be effected by the new driveway.

The Town Board is meeting next week on 2/9/12 and may provide further comment on the proposal.

Thank you."

WHEREAS, on 2/1/12 the Planning Board discussed the Sedor Site Plan Review and took no action; and

NOW, THEREFORE, BE IT RESOLVED that the Town Board hereby rejects a proposed easement as depicted on the Survey of Dan Michael Anderson dated 12/21/11; and

FURTHER RESOLVED, that the driveway installed on Town property is not to be used or further improved by the Sedors, their guests, successors or assigns; and

FURTHER RESOLVED, that the Sedors, if they choose to go forward with a possible Easement with the Town, are directed to file a revised Site Plan to the Town Board depicting an alternative location for the driveway at which time the Town Board will determine if and how to proceed including, but not limited to, a referral to the Planning Board and/or Zoning Board of Appeals for comment.
